**D**elamore this year celebrates its 20th anniversary with a superb exhibition of fresh art, including new works from over 150 sculptors and painters displayed in the house and gardens. In the Stables Gallery nearby visitors can view works by members of the South West Academy and also in the newly opened Carriage Shed Gallery adjacent. Seen at their best during May, the lovely gardens are an ideal backdrop for sculpture, while large, light rooms make a perfect gallery for paintings and other artworks. Visitors are welcome to browse and perhaps purchase one of the many pieces created by local, national and international artists.
