“It’s Delamore, so it must be **Summer**”

Delamore’s 22nd year brings with it another fine exhibition of fresh art, including new works from over 150 sculptors and painters displayed in the house and gardens. We also welcome the opening of a new exhibition space curated by Artizan in the Wagon Shed Gallery alongside the Stables Gallery where visitors can view works by members of the South West Academy. Seen at their best during May, the truly magnificent gardens are an ideal backdrop for sculpture, while large, light rooms in Delamore House provide the perfect setting for paintings and other artworks. Our visitors are welcome to spend the day with us, take refreshments in the cafe and perhaps purchase one of the many pieces created by local, national and international artists.

Over 100 pieces of sculpture are thoughtfully placed throughout the spacious gardens and woodland. Enjoy a stroll along the tree-lined Millennium Avenue to visit the impressive cromlech or take a moment to sit quietly amid the many specimen trees, wonderful flowering shrubs and carefully tended flower beds.

The three galleries display paintings, sculpture and ceramics by some of our most prestigious artists while Delamore has always championed the work of new and emerging artists to ensure our commitment to showing fresh art every year.

...and don't forget to visit our popular Old Kitchen Café - open every day!
